Group Aims

To share and enjoy Gardening with Talks, Visits, and Swaps.

The Garden Group holds a monthly meeting of members, visitors and guests, at which we can watch films of lovely gardens, or hear talks by local head gardeners. These meetings take place on the third Friday of each month at 10.00 a.m.

In addition, some of the meetings involve visits to members' lovely gardens, a barbeque in the summer, and the opportunity to sell/swap plants, garden materials, books etc.

From time to time we visit gardens further afield. This usually means a day away, and the cost of hiring a coach, paying entrance fees to gardens and the cost of a meal. This is normally arranged due to enquiries by members, who have a particular desire to visit a certain garden. Within Dumfries and Galloway, Ayrshire, and the Lake District there is much to choose from, and I am perfectly prepared to make arrangements for this, should enough members wish me to do so.
